

April 18, 2020

Box 720  
Lac La Biche , Ab  
T0A 2C0

Dear seasonal lot renter,

We feel that we need to talk to you about the coming season, because of the present country wide circumstances with Covid 19. Elinor Lake is very important to all of us, so we don't want to do anything that spoil the memories that we make here. If you feel ill please stay home.

Because of the requirements of physical distancing we request that only you and your immediate family, come to Elinor Lake Resort until further notice. That is, you should not bring or invite guests. Because we feel the lots are big enough we will not have to restrict renter's access, though please restrict gathering together with your neighbours. You should practice the same physical distancing here as you do at home, therefore restricting visits with your friends and neighbors.

We are in the area covered by the provincial fire ban which includes a ban on ATV's on public land. This is to minimize the threat of wild fires due to the difficulty of organizing fire crews in these times of physical distancing. In line with this we will restrict the use of ATV's to our roads only and not on any trails off-road. Please use the roads only when necessary and not simply to travel on them to occupy time. We ask that you impress this on any underage users in your family. Please obey the internal speed limit of 15 KPH.

According to Alberta Health Services recommendations of April 10, 2020 we will have to close all shared bathrooms. Our trailer dump will be open by the long weekend in May.

Please restrict what you place in our dumpsters to kitchen garbage. As you would in the communities in which you live you are responsible for taking large items, construction materials etc. to municipal receiving stations. The closest ones to Elinor Lake Resort are at Craigend and Rich Lake. They are both open on Saturdays and one other day of the week. We have their hours posted at the store. Please be aware that we have installed cameras to monitor activities around the resort.

If you have questions call 1 888 623 3993 or email [elinorlakeresort@gmail.com](mailto:elinorlakeresort@gmail.com). Here is wishing you and your family a safe and happy summer.

Sincerely,

Elinor Lake Management
