**Elinor Lake Resort** is located 2.5 hours NE of Edmonton in Alberta's lake country. The resort is also on the doorstep to one of Alberta's premiere parks, **Lakeland Provincial Park & Provincial Recreation Area**. This park includes 11 major lakes, dozens of smaller ones, a network of hiking and ski trails, and even a back country canoe circuit. Resort amenities include a convenience store, boat launch, quad wash, showers and laundromat. Plus, we are the only development on the lake.

It *has* been challenging this last year. We're about to make it a whole lot better. We've discounted prices for all remaining lake lots. Plus, if you purchase before May 24th 2021, you'll get an extra *20% off!* Now that's an appealing way to stay socially distanced!

Boating. Fishing. Hiking. Fresh air and the great outdoors! Isn't it time you got out of town? Isn't it time you spent more time at The Lake?
